

Industry Development Training Schedule July-December 2021 Queensland

About PICAC

By showcasing the world's very best leading edge technology, we are training the plumbers of tomorrow, today

PICAC is a national collaboration between key industry stakeholders in the plumbing, fire protection and HVAC industries including the Plumbing and Pipe Trades Employees Union, the National Fire Industry Association of Australia, the Air Conditioning and Mechanical Contractors Association and Master Plumbers Association of Queensland.

PICAC's purpose is to train, re-train, skill and upskill, the plumbing and fire protection workforce the Australian economy needs today, and in the future.

PICAC's facilities are pre-eminent amongst training providers and include the Fire Protection Centre of Excellence, the OHS Centre of Excellence, a demonstration Green Plumbing House, world class reticulated water systems and the newest technology in water and energy efficiency. PICAC was awarded the Victorian and Australian Small Training Provider of the Year 2015 at the Australian Training Awards.

The first PICAC campus opened in Brunswick, Victoria in 2008. Since then, PICAC has expanded to Geelong and Narre Warren (VIC), Beenleigh (QLD) and Glenwood (NSW).

OUR STAKEHOLDERS
